

# Try It

Read the drama. Underline the words that help you identify the time and place in which the drama takes place. Think about the characters and the way they interact with one another. Use the questions to help you.

## The Street Fair

### CAST OF CHARACTERS

*Lily*

*Maria*

### Scene One

*Setting: The curtain opens to show the scene of a street fair. There are food stands, games, a Ferris wheel, and a giant roller coaster called "The Terror." Two girls are holding cotton candy.*

LILY: (*laughs*) Want to go ride "The Terror"?

MARIA: I'm not so sure about that. (*She takes a big bite of cotton candy and chews it slowly.*) How about we play some more games instead?

LILY: I think it's time for a ride!

MARIA: (*She gulps down the rest of her cotton candy, nervously.*) Actually, Lily, I'm a little scared of that big roller coaster.

LILY: Oh! Why didn't you say that before? I totally understand! Of course I wouldn't want you to be scared! (*gives Maria a hug*) How about the Ferris wheel instead? I really want to go on that ride, too!

MARIA: (*grins happily*) Sounds perfect! Thanks for understanding, Lily. You're a great friend.
