

The Hand Game

Here is a game you can play anytime, anywhere, with anyone. All you need are two small stones and some red paint. Paint a red dot on one of the stones, and you are ready to play.

How to Play:

1. Sit in a circle with the other players.
2. Hold both stones in one hand.
3. Pass one stone to a person near you without letting anyone see it.
4. Ask another person to guess which stone you passed. Was it the one with the red dot, or the other one?
5. If this person guesses correctly, give him both stones. Now it is that person's turn.
6. If he doesn't guess correctly, give the stones to someone else.
7. Play the game again.
8. Whoever guesses correctly the most times wins.
